Example Itinerary

ACTIVITY	DESCRIPTION	PICTURED
STEP 1	Create authentic team bonds with enjoyable ice-breakers improving knowledge and understanding in the team as well as team dynamics. Experiential activities that encourage the team to think pro-actively, problem solve and take sequential steps in becoming a more integrated and successful team.	
JUMP UP 2	Provided is a series of fun and experiential (hands on) activities which encourage the team to think pro-actively. After developing a clear framework and rapport the team tackles scenarios and initiative activities. From Poles Apart, to manouvering logistics in Island Crossing or Ropes Course Adventure Curriculum & Spiders Web Initiatives.	
LEAP 3	Further developing trust whilst negotiating an electric fence or re-solving a topical nuclear hazard scenario. Building evacuation Signal Towers or Rafts to escape an imminent catastrophe. Speak with one of our facilitators to ensure a correct match of initiatives to outcomes is achieved. Each activity is briefed and sequentially linked in a progressive order, and then debriefed. The knowledge and skills asset developed from previous activity is then applies within the next initiative.	
FINAL 4	After developing the framework and rapport the team tackles all delivered activities. These programs provide motivation and enhance team integration. THRILL hands on leadership course are facilitated by professionals with relevant industry experience. A quality program format for organisers who are focused on team commitment.
