ACTIVITY	DESCRIPTION	PICTURED
ZOO FARI!	<p>Embark on an excellent fun team event. Be inspired by Wildlife. Identify which animal you relate to or resemble? Exploring real treasure within Sydney Taronga Zoo! Experience team building strategies leaning from animals, antics and behaviours. THRILL professional coordinators launch your Taronga Zoofari Treasure hunt with a fun twist. On the trail of the Zoo's Holy Grail. Teas set off bonding on an exciting team adventure through Taronga Zoo visiting animal enclosures.</p>	
OVERVIEW	<p>Challenge team resourcefulness, using Meerkats team-work to solve the location of the hidden and locked Treasure Chest,. Filled with a Holy Grail engraved trophy and other secret treats, sweets and animals (soft huggable ones!). Taronga Zoofari Treasure Hunt improves communication, increases problem-solving skills, whilst cooperatively stalking clue checkpoints. Decipher cryptic clues overcoming a variety of fun team challenges whilst hunting through Targona Zoo animal enclosures to reveal team talents with fun activities.</p>	
PROCESS	<p>Enroute- Team Learning Initiatives</p> <ul style="list-style-type: none"> * Escape a trap to understand eco-systems * Meet and observe zoo animals to complete activity clues * Accountability – Litter from humans can destroy habitats. * Investigate animal behaviours and characteristics * Lion pride – largest family of felines where the strong survive * Spider Monkeys & Chimpanzees – expression and non-verbal communication * Hippopotamus – ideal techniques for dealing with aggression * Tasmanian Devil – Rehabilitation from serious threat * Gorillas – Intimidating behavior or develop rapport * Elephants – Living in a family group, communicating as a community * Koalas – Loss of habitat destroys support * White Rhino Poo – disguises scent of the animal decreasing threats * Plus many more – Born to be Wild animals! 	<p>SUMATRAN ORANG-UTAN</p>  <p>These solitary, tree-dwelling apes live in the tropical rainforest of Sumatra, feeding mainly on fruit. At night each orang-utan makes a fresh sleeping nest high in the trees, and may rest in another smaller nest during the day.</p> <p>SUMATRAN TIGER</p>  <p>This endangered tiger is found only on the island of Sumatra. Like most cats, it is solitary and hunts alone for wild pig, deer, reptiles and birds.</p>
PROCESS	<p>Team Roles are rotated at each checkpoint ensuring equal input for Zoofari Treasure Hunt. Ultimately a real treasure chest will be found through team tactics of strategy, wits and style.</p> <p>Once treasure chest is secured and found everyone reunites at a select location for the Grand Opening. Teams negotiate to unlock the Treasures and take away their Zoofari Holy Grail!</p>
